\$50,000 Allocated For Church Project

By JACK and MARY WEBB
FRontier 5-3051

If this column ends up a wee bit shorter than usual, you can thank Mary's virus, which has plagued her for the past week. One of its more frustrating symptoms is the loss of voice. And after all, how many people can you call and how many can you talk to, if you have lost your voice? We give grateful thanks to those people who (1) delivered their news in writing or (2) put up with sibilant whispering.

Great plans for the improvement of Hollywood Riviera are afoot. Improvement that is, not only materially but spiritually. Last Sunday at the home of Mr. and Mrs. Jack Satterlee, 235 Calle de Andalucia, a meeting to discuss plans for a religious census of the area was held. This census is to be taken in preparation for establishing a Methodist church in this community. The Satterlees report that the Southern California Arizona Methodist Conference has been assigned the responsibility of forming a church in Hollywood Riviera. Their Board of Missions has allotted almost fifty thousand dollars for the project, they add. If enough interest is shown, Dr. S. Douglas Walters, district superintendent, will lead in establishing the church. Formation meeting is scheduled for Jan. 25 at El Retiro Park. In the meantime, the meeting held last Sunday discussed plans and ways to make such a census of our area. The Satterlees ask that anyone interested in participating or in getting more details call any of the following: Mrs. Donald Whitney, 5-3060; Mrs. Frances Dowling, 5-3900; Jim Green, 5-3911; Mrs. Durwood Law, 5-3061; Jack Satterlee, 5-3554; Mrs. J. Clark Chittick, 5-2753; Mrs. James Philpott, 5-3076; Mr. and Mrs. Bruce Mapes, 5-4366; Judge and Mrs. Otto B. Willett, 5-3777; Mr. and Mrs. John Kinney, 5-2875; Mrs. Roy Heath, 5-2789; Mr. and Mrs. Doug Robins, 5-2789; Mr. and Mrs. H. Whitehead, 5-1344; and Mr. and Mrs. Robert E. DeLamb, 5-4992.

Up at the Mel Grovans, 264 Calle de Andalucia, much merry-making was in order last New Year's Eve. If it was twice as merry as the law allows, it was because it served a double purpose. It was also a preview and "wetting-down" ceremony for their newly-completed living room. Candles and Christmas tree lights highlighted the buffet table prepared for the party-goers, while the dining room was cleared for dancing and the Grovans' new fireplace gave a crackling, cheerful background for the affair.

Guests included Mr. and Mrs. Dave Cochran and Mr. and Mrs. James Zeitler of Hollywood Riviera. Other guests were Mr. and Mrs. Charles Turner of Westchester and Mr. and Mrs. Larry Schultz and daughter Marsha of El Monte.

Center of attention was the newly enlarged living room of redwood side paneling and mahogany ceiling. With many planters lining the side walls and a large fireplace installed, the new living room creates an attractive and comfortable atmosphere.

Our ever-lovin' Hampton Players are hard at it again, preparing for their presentation of "The Glass Mountain," scheduled for Jan. 16 and 17 at Redondo Union High School. Mrs. Claude Ferrel, 724 Calle de Arboles, is the newly-elected president of the Players, incidentally.

Miss Carol Cunningham, daughter of Mr. and Mrs. Harley Cunningham, became the bride of Don Stribling of Crawfordville, Ind., at a lovely candlelight ceremony at the home of her parents, 868 Calle de Arboles, on Dec. 27. Honored guests were both grandmothers of the bride, Mrs. John Wright and Mrs. Herbert Cunningham, who traveled here expressly for the wedding. Reception was held at the home of the Jack Satterlees, 255 Calle de Andalucia, for the thirty attending guests. Rev. R. Hyton Sanders of Redondo Methodist Church officiated. Miss Cunningham wore silver blue satin with black velvet accessories, high lighted with white carnations and detachable orchids.

Mr. Stribling is at present a student at Purdue University, but plans to transfer to El Camino at the change of semesters. Miss Cunningham is employed at Hughes Aircraft. The couple enjoyed a brief honeymoon in Old Mexico.

New Neighbor Dept.: Mr. and Mrs. Rex D. Hayes, now residing at 421 Calle de Aragon. The Hayeses moved here last July from El Segundo, together with their ten-year-old twins, Ada Dot and John. Rex is administrative planner at Douglas Aircraft. The Hayeses have just returned from a holiday trip to Utah, where they visited Mr. Hayes' sister and brother in law, Mr. and Mrs. Rulan Broadhead. Highlight of the trip, they report, was the twins' delight with snow, and lots of it. They left Riviera the day after Christmas and arrived home Jan. 4.

All you good Rivierans interested in learning a new hobby may find your answer in the lampshade classes now being conducted by expert Viola Boas. They just started last Monday and there's plenty of time to pitch in and have fun. Here's the schedule of classes and note especially the Tuesday afternoon session. Monday and Wednesday: 1-4 and 7-9:30, Redondo High School; Tuesday: 1-4, El Retiro Park clubhouse; Thursday evening: 6:30-9:30, Seaside School auditorium.

Sixty Riviera youths joined the Rose Parade of the Junior Riviera Bicycle Club last Saturday. Don Whitney, captain of the Reserve Police officers, led the long bike parade in his car, which was equipped with loudspeakers for the occasion. Ray Borman, reserve officer, assisted in keeping the parade route clear while the children paraded their gaily-festooned bicycles through upper Riviera.

Mrs. Henry Miller and Mr. F. Gennett, former Alhambra Bike Club committeeman, judged the bicycle entries, and awarded the prizes donated by Las Vecinas, the Homeowners Association and the Riviera Sportsmen's Club. Boy Scouts and Explorers from our local troops paced the long line of entries.

The committee reported so many well decorated bicycles were entered that it was difficult to determine which bikes should win prizes. Awards were made in three classes—class C, composed of children from the first, second and third grades; class B composed of children from the fourth, fifth and sixth grades, and class A, which was made up of children from the seventh and eighth grades. Class C awards were

Highway Patrol Seeking 700 Men For Its Force

The California Highway Patrol was still engaged in its biggest manhunt today as it pushed a statewide search for 700 men who will be eligible for future openings as traffic officers. Basic requirements are that a man be 21 to 35 years of age, have a high school education or its equivalent and be in good health. The deadline for filing applications is Jan. 16, with a written examination slated for Feb. 14.

A list of eligible persons will be created after applicants complete the written examination, physical performance and medical tests and a personal interview.

Appointees will be given an intensive 12-week course at the Highway Patrol Academy at Sacramento, where they will learn modern techniques of law enforcement and accident prevention.

Duties of a traffic officer include patrol of highways, traffic law enforcement, assistance to motorists, accident investigation, traffic safety education, commercial vehicle inspection and first aid, disaster and emergency work. Present pay scale is \$325 to \$505 per month.

Applications and detailed information about the examination and the job may be obtained at any Department of Employment office or at the San Francisco, Los Angeles or Sacramento offices of the state personnel board.

given as follows: 1st prize, Roberta Hole; 2nd prize, Chipper Whitney; 3rd prize, Joe Borman; honorable mention, Christine Chittick, Spencer Conway and Bruce Farrell. Class B awards: 1st, Ann Farmer; 2nd, Robert Patonsky; 3rd, John Downing. Honorable mention: Lynn Satterlee, John Van Calcar and Phil Savage. Class A awards: 1st prize, Jim Mullen; 2nd prize, Henry Miller and 3rd prize, Bartley Mullen.

The parade route started at Calle de Arboles and Via Alameda. From start, it went to Arboles and Via Pasqual, from there to Andalucia and Pasqual, and thence back up Calle de Andalucia to the starting point where the entries were judged. The Junior Rose Parade was sponsored by the Riviera School PTA.
